Mission Teams & Volunteers

Carolina Rebuilding Ministry (CRM) is a faith-based nonprofit organization focused on repairing homes to foster the health and well-being of children, adults, and seniors. We're addressing home health and safety concerns for families who would otherwise not be able to address them on their own.

Through the coordination of local resources, mobilization of Mission Teams, Volunteers, and Donors, CRM has made homes stronger, safer, and healthier for families across eastern North Carolina and provided transformational experiences for Teams and Volunteers.

"The volunteers were some of the most genuine Christians that I have ever met. They came to do a job and treated my mother and me as though we were paying them a million dollars. Words cannot express the joy that I feel, because the home improvements Carolina Rebuilding Ministry did for us changed our lives." Iris Sanders, Homeowner

Services to Families

CRM currently serves North Carolina's northeastern Counties of Washington, Chowan, and Bertie.

Together with our teams of mission volunteers, we work with low-income homeowners to provide accessibility upgrades and repairs that target health and safety.

Typical repairs often include:

Wall & Ceiling Sheetrock	Re-roofing
Floors/Subfloors	Wheelchair Ramps
Plumbing & Electrical	Window/Door
Weatherization	Mold Remediation

Partners in Transformation

We are part of a network! Transformation starts with safe and healthy housing. The next step is helping people access their needs. Working cross-sector with our Partners, we help connect people to food, transportation, medical services, education, churches, and grassroots community revitalization groups in the region.
